

Air Product Update

13 March 2008

Fuel Surcharges

We have been advised by the airlines that they will be increasing the fuel surcharge in line with the Fuel Index from between 17 and 26 March.

This fee is variable per airline, but will be ranging from GBP 0.48p to GBP 0.60p.

The fuel surcharge fee will apply to all consignments.

For further information, please do not hesitate to contact your local SDV Bernard office.
